

ALEX CIBOROWSKI | BARISTA

As a friendly and helpful employee, I create customer loyalty through great experiences. I have served in a wide-range of hospitality roles, including as a barista in several third-wave specialty coffee shops. I have a well-developed palette for coffee and a passion for extraction methods. Beyond my professional skills, I hold teamwork and service to the greater good as core values which add meaning to my daily work.

SKILLS

Beer and wine knowledge, bartending, waiting tables, keg changing, tap cleaning, cash register, POS software, customer service, lifting heavy objects, driving large vehicles, stocking, inventory, espresso machine maintenance, espresso drink making, answering phones, filling to-go orders
